

"ACHIEVE AT" HIGH SCHOOL AHEAD ACADEMY ONE YEAR PROGRAM

High School Ahead Academy (HSAA) is a revolutionary and innovative one year program for overage middle school students. The ultimate goal of HSAA is to enable students to graduate for high school within a timeframe that is in line with peers of their same age group. Through its unique extended school year program, students may complete two grade levels within one school year.

ADMISSION CRITERIA:

- Pre-registration and admissions test required
- Only limited space available
